Mr. Rock & Roll by Amy Macdonald

So called Mr. Rock And Roll	But now he (6) to be free, free so he can see
Is dancing on his own again	And they'll meet one day
Talking on his phone again	Far away and say:
To someone who tells him that his balance is low	I wish I was something more
He's got no (1) to go	And they'll meet one day
He's on his own again	Far away and say:
Rock chick of the century	I wish I knew you, I wish I knew you before
Is acting like she used to be	He says: I wish I (7) you,
(2) like there's no one there	I wish I met you when time
Before she never seemed to care	Was still on my side
Now she wouldn't dare	She'll say: I wish I (8) you
It's so rock and roll to be alone	I wish I loved you before I was his bride
And they'll meet one day	And so they must depart
Far away and say:	Too many more are broken hearts
I wish I was (3) more	But I've seen that all before
And they'll meet one day	In TV, books and film and more
Far away and say:	And there's a happy ending every single day
I wish I knew you, I (4) I knew you before	And they'll meet one day
Mrs Black and White	Far away and say:
She's never seen a shade of grey	I wish I was (9) more
(5) something on her mind	And they'll (10) one day
Every single day but now she's lost her way	Far away and say:
And where does she go from here	I wish I knew you, I wish I knew you before
