Stand behind the music by Anjulie

No you don't (1)_____ a chance

Fill in the gaps

For a second in my world
The same old song
You won't last long
If you can't stand behind the music
All the fame
All the girls
All the money in this world
They don't mean sh*t, better (2)
If you can't stand behind the music
So stand up
Show them how we do it
Won't back down until I see your hands up
Hit them with the new sh*t
Stand behind the music
You gotta get (3)
Cross (4) heart, hope to die
Splash a hike
Dash a pretty that don't mean I'll buy
Okay I'm out already
I'm getting blinded
From all the frauds all the fonnies all the fakes
-Slow down-
It's the best place for breath, breath
Look my face in the mirror and say
"Who the hell am I?"
Look me in the eye
Is this conviction or adiction or a waste of time?
Just name a genre
