But it's just the (1) in me	Only the lonely
The devil that's calling as I come undone	Only the lonely fall
The sky is getting dark tonight	Fall
Darker than the fear	Oh, and I go to the fire
that's gonna (2) us apart	But God know the sound of,
The beating is the sound of love	it's the sound of love
The (3) of love is beating like a	It's the beat of my heart that you
(4) heart	Finally beating, it's coming,
And it's the fire, the fire	coming, (10) for you
It's heavenly, heavenly	And it's just the devil in me
Desire, desire	It's just a door to the devil gathered in disguise
Desire, desire	Taking me by the hand
I wanna lay in the dust	And leading me, leading me off to the fire
The dust is gonna fall here when I lie	And it's the fire, the fire, the fire
God knows it's (5) the devil in me	It's heavenly, heavenly
The (6) that's (7) my hand to	Desire, desire
the fire	Desire, desire
I (8) wanna (9) you now	You don't have to be lost
Leave you like the sun is gonna disappear	-Desire, desire-
But it's just believing now	You don't have to be lost
Believing in my heart is what I've come to fear	-Desire, desire-
And it's the fire, the fire, the fire	You don't have to be lost
It's heavenly, heavenly	-Desire, desire-
Desire, desire	
Desire, desire	
I've got desire, desire	
I've got desire, desire
