

Fill in the gaps

In the suburbs I
I (1) to drive
And you told me we'd never survive
Grab your mother's keys we're leavin'
You (2) seemed so sure
(3) one day we'd fight in
In a suburban world
your part of town gets minor
So you're standin' on the opposite shore
But by the time the first bombs fell
We were already bored
We were already, already bored
(4) I can't believe it
I'm movin' past the feeling
(5) I can't believe it
I'm movin' past the feeling again
Kidaaa ba aa baad
Kids wanna be so hard
But in my dreams
But in my dreams
But in my dreams we're still screamin' and runnin' through the yard
But in my dreams we're still screamin' and runnin' through the yard And all of the walls
But in my dreams we're still screamin' and runnin' through the yard And all of the walls that they built in the seventies finally fall
But in my dreams we're still screamin' and runnin' through the yard And all of the walls that they built in the seventies finally fall And all of the houses
But in my dreams we're still screamin' and runnin' through the yard And all of the walls that they built in the seventies finally fall And all of the houses they build in the seventies finally fall
But in my dreams we're still screamin' and runnin' through the yard And all of the walls that they built in the seventies finally fall And all of the houses they build in the seventies finally fall Meant nothin' at all
But in my dreams we're still screamin' and runnin' through the yard And all of the walls that they built in the seventies finally fall And all of the houses they build in the seventies finally fall Meant nothin' at all Meant nothin' at all

Sometimes I can't believe it
I'm movin' past the feeling and into the night
So can you understand?
Why I want a daughter (6) I'm still young
I wanna hold her hand
And show her some beauty
Before this (7) is done
But if it's too much to ask,
it's too much to ask
(8) send me a son
Under the overpass
In the parking lot we're still waiting
It's (9) passed
So move your feet from hot pavement
and into the grass
Cause it's already passed
It's already, already passed!
Sometimes I can't (10) it
I'm movin' past the feeling
Sometimes I can't believe it
I'm movin' past the feeling again
I'm movin' past the feeling
I'm movin' past the feeling
In my dreams we're still screamin'
We're still screamin'
We're still screamin'
