

Fill in the gaps

in the sudurds i	Sometimes i can't (18) it
I learned to drive	I'm movin' past the feeling and into the night
And you told me we'd never survive	So can you understand?
Grab (1) mother's keys we're leavin'	Why I (19) a daughter while I'm (20)
You (2) seemed so sure	young
(3) one day we'd fight in	I wanna (21) her hand
In a suburban world	And show her some beauty
your part of town (4) minor	Before this damage is done
So you're standin' on the opposite shore	But if it's too much to ask,
But by the time the first bombs fell	it's too much to ask
We were (5) bored	Then send me a son
We (6) already, (7) bored	Under the overpass
(8) I can't believe it	In the parking lot we're (22) waiting
I'm movin' past the feeling	It's already passed
(9) I can't believe it	So (23) your feet from hot pavement
I'm movin' past the feeling again	and into the grass
Kids wanna be so hard	Cause it's already passed
But in my dreams	It's already, already passed!
we're (10) screamin' and runnin'	(24) I can't believe it
11) the yard	I'm movin' past the feeling
And all of the (12)	(25) I can't believe it
that (13) built in the seventies finally fall	I'm movin' past the (26) again
And all of the (14)	I'm movin' past the feeling
they build in the (15) finally fall	I'm movin' past the feeling
Meant nothin' at all	In my dreams we're still screamin'
Meant nothin' at all	We're still screamin'
It meant nothin	We're (27) screamin'
(16) I can't believe it	
I'm movin' (17) the feeling
