

Oh baby, baby I -baby I-

## Fill in the gaps

Baby I got love for thee		All I'm (2) to say is you're my everything baby
So deep inside of me		But every time I try to say it
I don't know where to start		Words they only complicate it, baby, baby
I love you more than anything		Straight up, you got me all in
But the words can't even touch		How could I not be
What's in my heart		I sure (3) you know -I (4) hope you
When I try to explain it I be (1)	_ insane	know-
The words don't ever come out right		If it's even possible
I get all tongue-tied -and twisted-		I love you more than the word love can say it
I can't explain what I'm feeling		It's (5) not explaining that's why I keep saying
And I say baby, baby		
Baby -baby I-		Baby I
Oh baby, oh baby, my baby -baby I-		Oh baby, oh baby, my baby -baby I-
Oh baby, baby I -baby I-		Oh baby, baby I -baby I-
All I'm trying to say is you're my everything, baby		All I'm trying to say is you're my everything, baby
But every time I try to say it		But every time I try to say it
Words they only complicate it, baby, baby		Words they only complicate it
Baby I'm so down for you		Baby, baby -baby-
No matter what you do -real talk- I'll be around		Baby, baby -baby I-
Oh baby, see baby I've been feeling you		Oh baby, oh baby, oh baby -baby I-
Before I even knew what feelings were about		-Baby I-
Oh baby		All I'm trying to say is you're my everything baby
When I try to explain it I be sounding all crazy		But every time I try to say it
The words don't ever come out right		(6) they only complicate it
I get all tongue-tied -and twisted-		(7) time I try to say it
I can't explain what I'm feeling		(8) they (9) complicate it
And I say baby, baby		Every time I try to say it
Baby -baby I-		Words they only complicate it
Oh baby, oh baby, my baby -baby I-		Baby, baby, baby, baby
