

Fill in the gaps

You can (1) on my head	We can do what we like
I wouldn't mind	If you don't mind
It wouldn't be the first time	It's much brighter at night
(2) we're kicking up dust	I won't (6) night for day
Reflecting light	(7) (8) they are shining
It's much brighter at (3)	anyway
It's much brighter at night	Much brighter at night
We can speed in my car	Much brighter at night
Under traffic lights	Why not just let go?
With no sun in our eyes	Much brighter at night
We can do (4) we like	Much brighter at night
If you don't mind	I love a truth-be-told
It's much brighter at night	What do we do when the sun comes down?
I won't trade night for day	When all that we do
Street lights they are shining anyway	We do (9) it's brighter at night
Much brighter at night	I'm not mistaken just (10)
Much brighter at night	I'm replaying night after night after night
Why not just let go?	Much brighter at night
Much brighter at night	Much brighter at night
Much brighter at night	Why not just let go?
I love a truth-be-told	Much brighter at night
What do we do when the sun (5) down?	Much brighter at night
When all that we do	I love a truth-be-told
We do when it's brighter at night	What do we do when the sun comes down?
-Four, three, two, one-	When all that we do
We can speed in my car	We do when it's brighter at night
Under traffic lights	
With no sun in our eyes
