

Eye to eye

Fill in the gaps

My mother used to tell me you're the apple of my e	eye	And let us see who (5)	not (6)	first
Now I wish to tell you, you are mine		Not I, not I		
I like to (1) a (2) (3))	All things changing,		
you		Us just getting by		
A kiss from time to time		You're still the apple of my eye		
Whatever doesn't get me off your mind		Unchanging, always side to side		
Move side to side		You are the apple of my eye		
And let me get a good look at you		The apple of my eye		
Eye to eye		Let our sun shine bright		
And let us see who does not blink first		So everyone can hear it		
Not I, not I		Day and night		
All things changing,		It'll be our little secret		
Us just getting by		All things changing,		
You're still the apple of my eye		Us just (7) by		
Unchanging, always side to side		You're (8) the (9)	of	my eye
You are the apple of my eye		Unchanging, always side to side		
I feel like we got through the door		You are the (10) of	my eye	
when no one was looking		The apple of my eye		
But we're still watching from the outside in				
Move side to side				
And let me get a (4) look at you
