Like a (1) on the beach	We don't need to believe every word (13) say, no
(2) a star in the sky	They don't know me
Far too many to count with the naked eye	You're the one who (14) right through me
They won't see you	Now you're saying that you knew me
Go ahead	When I was invisible
(3) on by	And you're the one who walked right through me
You don't know (4) alive	Now you're saying that you (15) me
Maybe one day you'll find	(16) I was invisible
You should (5) your eyes	It's so easy to be lost
You (6) me	But maybe (17) not lost at all
You're the one who looks right (8) me	Do you (18) me?
Now you're saying that you knew me	Do you know who I am?
When I was invisible	Do you see me now?
And you're the one who walked right through me	Do you see me now?
Now you're saying (9) you knew me	(19) the one who (20)
(10) I was invisible	(21) through me
Little things adding up	Now you're saying that you (22) me
Try so hard not to rush	(23) I was invisible
(11) in, letting go off the (12)	And you're the one who (24)
we know	(25) through me
They won't see you	Now you're saying that you knew me
Force it down	(26) I was invisible
Lose the taste	I'm invisible, I'm invisible
They all think it's a waste
