

Fill in the gaps

Winter time in London are you making plans
Are you still rocking converse with your old Raybans
If (1) sitting in the places that we used to
be
Or if (2) somewhere listening to Bob
Marley
Then I know that (3) somewhere thinking
of me
Do you still pick up the seashells on (4) pebble
beach
Remember when that (5) came up and pinched
your feet
When that old guy gave us all those drinks for free
Do you still get knocked down by that Bacardi breeze
Then I know that you're somewhere thinking of me
(Oh yes you are)
Then I know that you're somewhere thinking of me
(oh uh yeh yeah)
No point regretting that it didn't last
No point regretting that it went so fast
Time that we had was (6) sand in our hand
But when I look behind
I'm so (7) that you were mine

I remember taking you home on that 86

Standing in your doorway where we used to kiss

Then your Dad came out and chased me down the street If you remember (8)_____ how scared I used to be Then I know that you're somewhere thinking of me I know wherever you go That you'll be thinking about me now ____ wherever you go That you'll be thinking about me Bumped into Irene down in waterloo She told me that you got yourself somebody new She said you musta like him cos he's oh so nice But I remember that you like a pinch of spice Well I I know wherever you go That you'll be thinking about me now I know wherever you go That you'll be thinking about me now I know wherever you go That you'll be thinking about me now
