## Fill in the gaps

<em>- Hello Okay, well, how much more obvious can I</em>	When I'm with you
(1) it?	You know what I really am all about
He was a boy, she was a girl Okay, well I'm sorry, but if you	You know how the story goes
don't get it by now I'm going to have to say goodbye,	<em>- I told you we shouldn't have let him drive!</em>
sir.	- He said he didn't have that much to drink
Let them know that we're still Rock and Roll	- You knew he had a drinking problem
I don't care about my makeup	- Oh, so this my fault!
I like it better with my (2) all ripped up	- No one could lick his own balls quite like he could
Don't know how to keep my mouth shut	- Never forget
You say: so what? -what-	- It's gonna be okay
I don' t care if I'm misfit	It was the first (6) for both of us. We never really
I like it better than the hipster bull s**t	talked
I am the mother fricking princess	about it afterward. But I think about the (7) of
You still love it	(8) day
Some, somehow it's a little different	again and again and somehow I know that Winnie does
When I'm with you	too.
You know what I really am all about	When it's you and me
You know how it really goes	We don't need no one to tell us who to be
Some, (3) we'll be getting out	We'll keep turning up the radio
Of this town one day	What if you and I
You're the only (4) I want with me	Just put up a middle finger to the sky
You know how the story goes	Let them (9) we're still Rock and Roll
When it's you and me	Rock and Roll, hey
We don't need no one to tell us who to be	Rock and Roll, hey
We'll keep turning up the radio	When it's you and me
What if you and I just put up	We don't need no one to tell us who to be
A middle finger to the sky	We'll keep turning up the radio
Let them know we're still Rock and Roll	What if you and I
Rock and Roll, hey	Just put up a middle finger to the sky
Rock and Roll, hey	Let them know we're still Rock and Roll
Call it a bad attitude dude	When it's you and me
I'm never going to cover up that tattoo	We don't need no one to tell us who to be
I might have a couple issues	We'll keep turning up the radio
You say: me too -yeah-	What if you and I
Don't care about a reputation	Just put up a middle finger to the sky
Must be living in the wrong generation	Let them know we're (10) Rock and Roll
This is your invitation	Rock and Roll, hey
Let's get wasted	Rock and Roll, hey
Some, somehow it's a little (5)
