## Rock N Roll by Avril Lavigne

## Fill in the gaps

<em>- Hello Okay, well, how much more obvious can I</em>	When I'm with you
(1) it?	You know what I really am all about
He was a boy, she was a girl Okay, well I'm sorry, but if you	You know how the story goes
don't get it by now I'm going to have to say goodbye,	<em>- I told you we shouldn't have let him drive!</em>
sir.	- He said he didn't have that much to drink
Let them know that we're (2) Rock and Roll	- You knew he had a drinking problem
I don't care about my makeup	- Oh, so this my fault!
I like it better with my (3) all ripped up	- No one could lick his own balls quite like he could
Don't know how to keep my mouth shut	- Never forget
You say: so what? -what-	- It's gonna be okay
I don' t care if I'm misfit	It was the first kiss for both of us. We never really talked
I like it better than the hipster bull s**t	about it afterward. But I think about the events of that day
I am the mother fricking princess	again and again and somehow I know that Winnie does
You still love it	too.
Some, somehow it's a little different	When it's you and me
When I'm with you	We don't need no one to tell us who to be
You know what I really am all about	We'll keep turning up the radio
You know how it really goes	What if you and I
Some, someway we'll be (4) out	Just put up a middle finger to the sky
Of this town one day	Let them know we're still Rock and Roll
You're the only that I (5) with me	(7) and Roll, hey
You know how the story goes	Rock and Roll, hey
When it's you and me	When it's you and me
We don't need no one to tell us who to be	We don't need no one to tell us who to be
We'll keep turning up the radio	We'll keep turning up the radio
What if you and I just put up	What if you and I
A middle finger to the sky	(8) put up a middle finger to the sky
Let them know we're still Rock and Roll	Let them know we're still Rock and Roll
Rock and Roll, hey	When it's you and me
Rock and Roll, hey	We don't need no one to tell us who to be
Call it a bad attitude dude	We'll keep turning up the radio
I'm never going to cover up that tattoo	What if you and I
I might have a couple issues	Just put up a middle finger to the sky
You say: me too -yeah-	Let them know we're still Rock and Roll
Don't care about a reputation	(9) and Roll, hey
Must be living in the (6) generation	(10) and Roll, hey
This is your invitation	
Let's get wasted	
Some, somehow it's a little different	

- 1. make
- 2. still
- 3. jeans
- 4. getting
- 5. want
- 6. wrong
- 7. Rock
- 8. Just
- 9. Rock
- 10. Rock
