Here's to never growing up by Avril Lavigne

Singing Radiohead at the top of our lungs	Say, won't you say forever stay
With the boom box (1)	If you stay forever hey
As we're falling in love	We can stay forever young
I got a bottle of whatever	Singing Radiohead at the top of our lungs
But let's get in this truck, (2)	With the boom box blaring
Here's to never growing up	As we're falling in love
Call up all our friends	I got a bottle of whatever
Go hard this weekend	But let's get in this truck
For no damn reason, I don't think we'll ever change	Singing, here's to never growing up
Meet you at the spot, half past ten o'clock	We'll be running down the street, yelling kiss my ***
We don't ever stop, and we're (3) gonna	I'm like yeah whatever, we're still living like that
change	(10) the sun's going down, we'll be raising our
Say, won't you say forever stay	cups
If you (4) forever hey	Singing, here's to never growing up
We can stay forever young	Here's to never growing up
Singing Radiohead at the top of our lungs	Here's to never growing up
With the (5) box blaring	Say, won't you say forever stay
As we're falling in love	If you stay forever hey
I got a bottle of whatever	We can stay forever young
But let's get in this truck	Singing Radiohead at the top of our lungs
Singing, here's to never growing up	With the boom box blaring
We'll be running down the street, (6) kiss	As we're falling in love
my ***	I got a bottle of whatever
I'm like yeah whatever, we're still living like that	But let's get in this truck
When the sun's going down, we'll be raising our cups	Singing, here's to never growing up
Singing, here's to never (7) up	We'll be running down the street, yelling kiss my ***
Here's to never growing up	I'm like yeah whatever, we're still living like that
Here's to never (8) up	When the sun's going down, we'll be raising our cups
We (9) like rock stars	Singing, Here's to never growing up
Dance on every bar	Here's to never growing up
This is who we are, I don't think we'll ever change	Here's to never growing up
They say just grow up. But they don't know us	
We don't give a ****	
And we're never gonna change
