Fill in the gaps

Is There Something by Christopher Cross

Lately I see clouds of sorrow in your eyes
Some deep sadness you can never quite disguise
Now I'm scared to ask what it's leading to
But I'm more afraid of not asking you
Is there something that you want to tell me
Is there (1)_____ that I (2)_____ to know
Are we something that's (3)_____ worth fighting for
Or should I simply let you go
Is (4)_____ something I can do to reach you
Are we something more than history
I'll find some way to convince you to stay
If you just tell me honestly
Is there something left of you and me
You've got secrets you've been keeping for too long
And I'm going (5)_____ acting like there's nothing wrong
I can taste the truth (6)_____ time we kiss
And I can't go on
At least not like this
I don't want to lose you
But what's the use of holding on
I don't really have you
If the feeling's gone
Is there (7)_____ I can do to reach you
Are we something more than history
If there's no way to convince you to stay
And be the way we used to be
Then there's something that I want to (8)_____ you
And I (9)_____ you to (10)_____ it's true
We had something that I'll never forget
Even if I wanted to
'Cause part of me will always be with you
