Fill in the gaps

Is There Something by Christopher Cross

Lately I see clouds of (1) in your eyes	And I can't go on
Some deep sadness you can never quite disguise	At least not like this
Now I'm scared to ask what it's leading to	I don't (9) to lose you
But I'm more afraid of not asking you	But what's the use of holding on
Is there something that you want to tell me	I don't really have you
Is there something (2) I ought to know	If the feeling's gone
Are we something that's still worth fighting for	Is there something I can do to reach you
Or should I simply let you go	Are we something more than history
Is there (3) I can do to reach you	If there's no way to convince you to stay
Are we something more than history	And be the way we (10) to be
I'll find some way to convince you to stay	Then there's something that I want to tell you
If you just tell me honestly	And I want you to believe it's true
Is (4) something left of you and me	We had something that I'll never forget
You've got secrets you've been (5) for too	Even if I wanted to
long	'Cause part of me will always be with you
And I'm (6) crazy acting (7) there's	
nothing wrong	
I can taste the (8) every time we kiss
