

## Fill in the gaps

## Is There Something by Christopher Cross

Lately I see clouds of sorrow in your eyes	And I can't go on
Some (1) sadness you can never quite disguise	At (12) not like this
Now I'm scared to ask (2) it's leading to	I don't (13) to lose you
But I'm more (3) of not asking you	But what's the use of (14) on
Is there (4) (5) you want to	I don't really (15) you
tell me	If the feeling's gone
Is there something (6) I ought to know	Is (16) something I can do to reach you
Are we something that's still worth fighting for	Are we (17) more than history
Or should I simply let you go	If there's no way to (18) you to stay
Is (7) something I can do to (8)	And be the way we (19) to be
you	Then there's something that I want to tell you
Are we something more (9) history	And I (20) you to believe it's true
I'll find some way to convince you to stay	We had something that I'll never forget
If you just tell me honestly	Even if I wanted to
Is there something left of you and me	'Cause part of me will always be (21) you
You've got secrets you've been keeping for too long	
And I'm going (10) acting like there's nothing	
wrong	
I can taste the truth (11) time we kiss
