

I'm finding my heart, using my hands

You're my feet on the ground, my footprints

From where I began

I still carry your love

I feel your love

We start running, running

Till we escape this town

We don't know where we're going

Till we turn up

Now keep on running, running

I can't slow down

And if I'm lost my shadow's fallen

You light me up

When all I see is darkness

You light me up

When I'm down

And if I fall apart

You know where to find my pieces

When they're going to be found?

Keep my eyes shut

Safe in distrust

You're all that I need

My senses (1)_____ on me

I (2)_____ carry your love

I (3)_____ your love

We start running, running

Till we escape this town

We don't know where we're going

Till we turn up

Now (4)_____ on running, running

I can't slow down

And if I'm lost my shadow's fallen

You light me up

When all I see is darkness

You light me up

Fill in the gaps

When I'm down
And if I fall apart
You know (5) to find my pieces
When they're going to be found?
You (6) me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You (7) where to find my pieces
When they're going to be found?
I'm finding my heart, using my hands
You're my feet on the ground, my footprints
From where I began
I still carry your love
I feel your love
You (8) me up
When all I see is darkness
You light me up
When I'm down
And if I (9) apart
You know where to find my pieces
When they're going to be found?
You light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You know where to (10) my pieces
When they're going to be found?

You're my feet on the ground, my footprints
