Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, (1) away
Can you hear when I say
I have never felt this way?
(2) I have (3)
Something that was wrong
Can I make it (4)
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still (5) to drown whenever you leave
I still (5) to drown whenever you leave Please teach me (6) how to breathe
Please teach me (6) how to breathe
Please teach me (6) how to breathe And I'll cross oceans like never before
Please teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too
Please teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you
Please teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I (7) it too
