Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear (1) I say
I have never felt this way?
Maybe I have said
Something (2) was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it better
(3) the lights turned on?
Can I be? Was I there?
It (4) so crystal in the air
I still want to drown whenever you leave
Please (5) me gently how to breathe
And I'll (6) oceans like never before
So you can feel the way I feel it too
And I'll sing images back at you
So you can see the way I feel it too
Maybe I have said
Something that was wrong
Can I make it (7)
(8) the lights (9) on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
