Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you (1) when I say
I (2) never felt this way?
Maybe I have said
(3) that was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights (4) on?
Can I be? Was I there?
It felt so crystal in the air
,
I still want to drown whenever you leave
I still want to drown whenever you leave
I still want to drown whenever you leave (5) teach me (6) how to breathe
I still want to drown whenever you leave (5) teach me (6) how to breathe And I'll cross oceans like never before
I still want to drown whenever you leave (5) teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too
I still want to drown whenever you leave (5) teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you
I still want to drown whenever you leave (5) teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too
I still want to drown whenever you leave (5) teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too (7) I have said
I still want to drown whenever you leave (5) teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too (7) I have said Something that was wrong
I still want to drown whenever you leave (5) teach me (6) how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too (7) I have said Something that was wrong Can I (8) it better
