

## Fill in the gaps

can't get my (1) up on the eage	reant find the (13) in all of this
I kind of like the little (2) you get	But I'm always (14) out for you
When you're standing close to death	Because you're the one I miss
Like when you're driving me crazy	And it's driving me crazy
Hold on as we crash into the earth	Bite (15) lips, the word's a robbery
A bit of pain will help you suffer	Do you (16) inside? You're (17)
(3) you're hurt, for real	me
Because you are driving me crazy	All along we talked of forever
Bite your lips, the word's a robbery	I (18) of think that we won't get better
Do you grin inside? You're killing me	It's the (19) start, but the end is not too far
All along we (4) of forever	away
I kind of think (5) we won't get better	Did you know? I'm here to stay
It's the longest start, but the end is not too far away	We'll stagger home after midnight
Did you know? I'm (6) to stay	Sleep arm-in-arm in the stairwell
We'll (7) home (8) midnight	We'll fall (20) on the weekend
(9) arm-in-arm in the stairwell	These nights go on and on and on
We'll (10) apart on the weekend	We'll (21) (22) after midnight
(11) nights go on and on and on	Sleep arm-in-arm in the stairwell
I can't keep your (12) out of my head	We'll (23) apart on the weekend
All I hear are the many echoes of	These (24) go on and on and on
The darkest words you said	(bis x2)
And it's driving me crazy
