

Moonshine by Bruno Mars

Fill in the gaps

Hello, you know
You look even better than the way you did not before
And the moment that you kissed my lips you know
I started to feel wonderful
It's something incredible
There's sex in your chemicals
Oh, let's go
You're the (1)_____ way I know
To escape the extra ordinary
This world ain't for you
And I know for damn sure this world ain't for me
Lift off and say goodbye
Just let your fire set me free
Moonshine, (2)_____ us to the stars tonight
Take us to that special place
(3)_____ place we went the last time, the (4)_____
time
I know I was with you last night
But it feels like it's been so long
And everybody that's around they knows
(5)_____ I'm not myself when you gone
It's good to see you again
Good to see you again
On top of the world

Is where I stand when you're back in my life
Life's not so bad when you're way up this high
Everything is alright, everything is alright
Moonshine, take us to the stars tonight
Take us to that special place
That place we went the last time, the last time
Moonshine, your (6)_____ it makes me come alive
Take us to that special place
That place we went the last time, the (7)_____ time
Don't look down, don't you never look back
We are not afraid to die young and live fast
Give me good times, give me love, give me laughs
Let's take a ride to the sky
Before the night is gone
Moonshine, take us to the stars tonight
(8)_____ us to that special place
(9)_____ place we went the last time, the last time
Moonshine, your love it makes me come alive
Take us to that special place
That (10)_____ we went the last time, the last time
