

## Fill in the gaps

Hello, you know

You look even better than the way you did not before

And the moment that you kissed my lips you know

I started to feel wonderful

It's something incredible

There's sex in your chemicals

Oh, let's go

You're the best way I know

To escape the extra ordinary

This world ain't for you

And I know for damn sure this world ain't for me

Lift off and say goodbye

Just let your fire set me free

Moonshine, take us to the stars tonight

Take us to that special place

That place we (1)\_\_\_\_\_ the last time, the last time

I know I was with you last night

But it feels like it's been so long

And (2)\_\_\_\_\_ that's around they knows

That I'm not myself when you gone

It's good to see you again

Good to see you again

On top of the world

Is where I stand when you're back in my life Life's not so bad when you're way up this high Everything is alright, everything is alright Moonshine, take us to the stars tonight Take us to that special place That place we went the last time, the last time Moonshine, your love it makes me come alive Take us to that special place That (3)\_\_\_\_\_ we went the last time, the last time Don't look down, don't you never look back We are not afraid to die young and live fast Give me good times, (4)\_\_\_\_\_ me love, give me laughs Let's take a ride to the sky \_\_ the night is gone Moonshine, take us to the stars tonight (6)\_\_\_\_ us to that (7)\_\_\_ (8)\_\_\_\_\_ place we went the last time, the (9)\_ time Moonshine, your love it makes me (10)\_\_\_\_\_ alive Take us to that special place
