## Fill in the gaps

I wanna be a billionaire	Oh for when I'm a billionaire
(It would be) so fricking bad	I'll be playing (18) with the
Buy all of the things I never had	President
Uh, I (1) be on the cover of Forbes magazine	Dunking on his delegates
Smiling next to Oprah and the Queen	Then I'll compliment him on his political etiquette
Oh every time I close my eyes	(19) a couple milli in the air
I see my name in shining lights	Just for the heck of it
A (2) city (3) night oh	But keep the fives, twentys, tens,
I swear the world better prepare	And Bens completely separate
For when I'm a billionaire	And yeah I'll be in a (20) new tax bracket
Yeah I would have a show like Oprah	We in recession but let me take a crack at it
I would be the host of, everyday Christmas	I'll probably take whatever's left
(4) Travie a wish list	And just split it up
(5) probably pull an Angelina and Brad Pitt	So everybody that I (21)
And adopt a (6) of babies	Can (22) a couple bucks
That ain't (7) had sh*t	And not a single tummy around me
Give away a few (8)	Would know what hungry was
Like here (9) have this	Eating (23) sleeping soundly
And last but not (10)	I know we all have a (24) dream
Grant somebody their last wish	Go in your (25) pull out your wallet
It's been a couple months (11) I've	And put it in the air and sing
(12) so	I wanna be a billionaire
You can call me (13) Claus	So (26) bad
Minus the Ho Ho	Buy all of the things I never had
Get it, hehe,	Uh, I wanna be on the cover of Forbes magazine
I'd probably visit	(27) next to Oprah and the Queen.
(14) Katrina hit	Oh every time I close my eyes
And damn sure do a lot (15)	I see my name in shining lights
Than FEMA did	A different city every night oh
Yeah can't forget about me stupid	I swear the world better prepare
Everywhere I go I'mma have	For when I'm a billionaire
My own theme music	Oh for when I'm a billionaire
Oh (16) time I close my eyes	Oh for when I'm a billionaire
I see my name in shining lights	I wanna be a billionaire
A different city every night oh	So (28) bad

For when (17) a billionaire
