Thinking about you by Calvin Harris

If I told you	In a moment, I know that everything could change
(1) this couldn't get better baby	And I (5) that my life (6) never be
And your heartbeat	the same
It lets me know you (2) the same	You're the (7) one that's making sense to me
I can hold you	When I close my eyes, you're the one I see
Keep you safe until you fall asleep	There's no other way I could ever be
Never worried	(8) you baby
Because I can (3) you what you need	Now everything I do, is all for loving you
Now everything I do, is all for loving you	It's not something that we used to
It's not something that we used to	No other way to say, I need you every day
No other way to say, I need you every day	And now I'm going to change my ways
And now I'm going to change my ways	And it's a part of you, I never want to lose
And it's a part of you, I never want to lose	I'll do anything you want me to
I'll do anything you want me to	Like any other day, I know I'll (9) a way
Like any other day, I (4) I'll find a way	And if ever I'm (10) you'll say
And if ever I'm alone you'll say	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you
