Drinking from the bottle by Calvin Harris

I could pay for everything that's on you		If you ain't lean, then you're in the wrong scene
So (1)	it's on me	If you ain't high, then you're not on my vibe
Got them girls going Cindy Lauper		Tell the bar that we don't need no sparklers or nothing
Ga Ga, and a little Blondie		Just keep the bottles coming all night
If you ain't drunk, then you're in the wrong club		Yes, so bring the (7) Clicquot
Don't (2) sexy? you're on the wrong beach		D about to hit the big 3o
Tell the bar that we don't want no glass (3) bottles		Party like it's carnival in Rio
And I'm buying everybody one each		Life's too short, Danny Devito
Yes, so bring the Veuve Clicquot		Yo, we live, we die, we give, we try
D about to hit the big 30		We kiss, we fight
Party like it's (4)	in Rio	Also we can have a good time
Life's too short, (5)	Devito	I'm in here busy looking for the next top model
Yo, we live, we die, we give, we try		Who's wearing something new and something old
We kiss, we fight		And something borrowed
Also we can have a good time		I know this crazy (8) c
I'm in here busy looking for the next top model		Can be a bitter (9) to swallow
Who's wearing something new and something old		So forget about tomorrow, tonight
And something borrowed		We're drinking from the bottle
I know this crazy life		We're drinking (10) the bottle
Can be a bitter pill to swallow		I'm in here busy looking for the next top model
So forget about tomorrow, tonight		the next top model
We're drinking from the bottle		the next top model
We're drinking from the bottle		the next top model
Yeah, I was done with this (6) getting it wrong		Tonight, we're drinking from the bottle
