Fill in the gaps

Fight for life by Carlos Jean & LucÃ-a Scansetti

Remember the days
When it was safe to dream awake
We designed a land
Where every child would like to stay
With no fear of heights
We climbed up the tallest tree
With a better view
We have the power to control
The rules of a place (1)_____ been only looking for
It’s up to us to (2)_____ a new world
We (3)_____ to be this world
So come on, don’t be scared, we are taking off
(4)_____ without love we'll (5)_____ be the same
Because without hope we'll never be strong
You need to (6)_____ for life for saving (7)_____ soul
You need to fight for life for saving your soul
Take this first step
To change the colors someone set
Draw your own lines
While there´s hope, there's love
We need to be this world
We have the power to control
We (8)_____ to be this world
So come on, don’t be scared, we are taking off
Because without love we'll never be the same
Because without hope we'll never be strong
You need to fight for life for saving your soul
You need to fight for life for saving your soul
You need to fight for life
Because without love...
You need to fight for life
Because without love...
The rules of a place we’ve been only looking for
It’s up to us to (9)_____ a new...
