SUB inglés

To change the colors someone set

Fill in the gaps

Fight for life by Carlos Jean & LucÃ-a Scansetti

Remember the days	Draw your own lines
When it was safe to dream awake	While (6) hope, there's love
We designed a land	We need to be (7) world
Where every child would like to stay	We have the power to control
With no fear of heights	We need to be this world
We climbed up the tallest tree	So come on, don't be scared, we are taking off
With a better view	(8) without love we'll never be the same
We have the (1) to control	Because without hope we'll never be strong
The rules of a place we've been only looking for	You need to fight for life for saving (9) soul
It's up to us to build a new world	You need to fight for life for saving your soul
We need to be this world	You need to fight for life
So (2) on, don't be scared, we are taking off	Because without love
Because (3) love we'll never be the same	You (10) to fight for life
Because without (4) we'll (5) be	Because without love
strong	The rules of a place we've been only looking for
You need to fight for life for saving your soul	It's up to us to build a new
You need to fight for life for saving your soul	
Take this first step
