We can't love, not like this
You broke me down, do I even exist?
After everything
Give you everything, I lost everything
Love is so lonely now
I don't wanna run no more
Can't believe in all the s*it that I did for you
And I don't wanna hurt no more
Oh my heart, It must have been too big for you
So caught up in the love I felt for you
I burned down, like a flame I held for you
But it never was enough, I never got your love
I loved you so much but you never gave a f***
