

I saw the distance in your eyes It didn't come as a surprise But I've been wishing we can make it work And we will try I've never been good at good byes I feel it's time to realize Because I don't need (1)_____ love No, I can do much better There's no sunshine (2)_ When every choice turns out the same There's no one (3)_____ to blame When love turns to pain _____ there's nothing more to gain And every hope just seems to fade You know there is no way When love turns to pain Just one look and perfect smile I asked you out We took a ride Since that day We've been going down And hit the ground I never thought you had a blame Guess there's no use asking why Because I don't need your love I can do much better There's no sunshine only rain

When every choice turns out the same

There's no one else to blame

Fill in the gaps

When love turns to pain

Like there's nothing more to gain
And every hope just seems to fade
You know there is no way
When (5) turns to pain
No I don't need you anymore
Forget the words I said before
It might not be OK
But it's over now
It doesn't matter
You don't know what's right or wrong
Speaking of conscience you have none
Don't wanna hear no more
Because nothing you say makes it better
(6) love turns to pain
When love turns to pain
When love turns to pain
There's no sunshine only rain
When every choice turns out the same
There's no one else to blame
When love turns to pain
Like there's (7) more to gain
And every hope just seems to fade
You (8) is no way
