

Fill in the gaps

We're both there at the (1) time	With all this love you're unprotecting
We both go	I'd hate to (7) of what you're collecting
Don't need to talk to each other	The novelty is worn
We got codes	You can't get it for nothing
Have a bit too much to drink, say hello	So let's put this to bed
We're going to go home together	Put this to bed
We really should've known it right	Without crawling in your bed
But f*ck your "no strings"	(8) your "no strings"
And your "hey I'll ring"	And your "hey I'll ring"
But I'm, but I'm imagining things	But I'm, but I'm imagining things
No strings, going to hope we had twins	No strings, going to hope we had twins
Come on, come on, am I imagining something?	Come on, come on, am I imagining something?
You can't win, at all	You can't win, at all
The trouble with no strings	And the trouble with no strings
Is you can (2) fall	Is you can (9) fall
They're playing our favourite song	No (10) crawling in your bed
You come (3) near me but not for long	
You know sometimes I think you're so immature	F*ck your "no strings"
Don't know what trip you're on	And your "hey I'll ring"
Don't even (4) if I'm the (5) sex	But I'm, but I'm imagining things
You don't even know if I'm the (6) sex, do you	No strings, going to hope we had twins
F*ck your "no strings"	Come on, come on, am I imagining something?
And your "hey I'll ring"	You can't win, at all
But I'm, but I'm imagining things	And the trouble with no strings
No strings, going to hope we had twins	Is you can only fall
Come on, come on, am I imagining something?	
You can't win, at all	
And the trouble with no strings	
Is you can only fall
