## Distance by Christina Perri

## Fill in the gaps

The sun is filling up the room
And I can (1) you dreaming
Do you feel the way I do, right now?
I wish we would just give up
Because the best part is falling
Calling anything but love
And I will make (2) to keep my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
Please don't stand so (3) to me
I'm having trouble breathing
I'm afraid of what you'll see, right now
I'll give you everything I am
All my broken heartbeats
(4) I know you'll understand
(4) I know you'll understand  And I will make sure to keep my distance
And I will make sure to keep my distance
And I will make sure to keep my distance Say I love you when you're not listening
And I will make sure to keep my distance  Say I love you when you're not listening  And how (5) can we keep this up, up, up?
And I will make sure to keep my distance  Say I love you when you're not listening  And how (5) can we keep this up, up, up?  And I keep waiting
And I will make sure to keep my distance  Say I love you when you're not listening  And how (5) can we keep this up, up, up?  And I keep waiting  For you to take me
And I will make sure to keep my distance  Say I love you when you're not listening  And how (5) can we keep this up, up, up?  And I keep waiting  For you to take me  And you keep waiting
And I will make sure to keep my distance  Say I love you when you're not listening  And how (5) can we keep this up, up, up?  And I keep waiting  For you to take me  And you keep waiting  To (6) what we have
And I will make sure to keep my distance  Say I love you when you're not listening  And how (5) can we keep this up, up, up?  And I keep waiting  For you to take me  And you keep waiting  To (6) what we have  So I'll make sure to (7) my distance
And I will make sure to keep my distance  Say I love you when you're not listening  And how (5) can we keep this up, up, up?  And I keep waiting  For you to take me  And you keep waiting  To (6) what we have  So I'll make sure to (7) my distance  Say I love you when you're not listening
And I will make sure to keep my distance  Say I love you when you're not listening  And how (5) can we keep this up, up, up?  And I keep waiting  For you to take me  And you keep waiting  To (6) what we have  So I'll make sure to (7) my distance  Say I love you when you're not listening  And how (8) can we keep (9) up, up, up?
