

## Fill in the gaps

Lying in my bed I hear the clock tick	And (16) has (17) to
And think of you	gray
Caught up in circles	Watching through windows
Confusion is nothing new	You're wondering if I'm OK
(1) warm nights	Secrets stolen from deep inside
Almost left (2)	The drum beats out of time
(3) of memories	If you're (18) you can look and you will find me
Time after	Time after time
Sometimes you picture me	If you fall I will catch you I'll be waiting
I'm (4) too far (5)	Time after time
You're calling to me	You (19) go slow
I can't hear what you've said	I fall (20)
Then you say go slow	The second hand unwinds
I fall (6)	If you're lost you can look and you will find me
The second hand unwinds	Time (21) (22)
If you're lost you can (7) and you will find me	If you fall I (23) catch you I'll be waiting
(8) (9) (10)	(24) after time
If you (11) I (12) catch you I'll be	If you're lost you can look and you will find me
waiting	Time after time
(13) after time	If you fall I will (25) you I'll be waiting
If you're lost you can look and you will find me	Time (26) time
Time after time	Time after time (bis)
If you fall I (14) catch you I'll be waiting	
Time (15) time	
After my picture fades
