

Lying in my bed I hear the clock tick

Fill in the gaps

And think of you
Caught up in circles
Confusion is nothing new
Flashback warm nights
Almost left behind
Suitcases of memories
Time after
Sometimes you picture me
I'm walking too far ahead
You're calling to me
I can't hear what you've said
Then you say go slow
I fall behind
The second hand unwinds
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
If you're lost you can look and you will find me
Time after (1)
If you fall I (2) catch you I'll be waiting
(3) after time
After my picture fades

And darkness has turned to gray
Watching through windows
You're (4) if I'm OK
Secrets stolen from deep inside
The drum beats out of time
If you're lost you can look and you will find me
(5) after time
If you fall I will catch you I'll be (6)
Time after time
You said go slow
I fall behind
The second hand unwinds
If you're lost you can look and you will find me
(7) after time
If you (8) I will catch you I'll be waiting
Time after time
If you're (9) you can look and you will find me
Time after time
If you (10) I will catch you I'll be waiting
Time after time
