

Fill in the gaps

Oh, the (1) of a riv	er I (6) pray, pray, pray
That will run down to the sea	To the one I love
Like my heart (3) for an ocean	Oh, the caged bird dreams of a strong wind
To wash down over me	That will float beneath her wings
Oh, won't you take me from this valley	Like a voice longs for a melody
To that mountain high above?	Oh, Jesus, (7) me
Oh, I (4) pray, pray, pray	Oh, won't you take me from this valley
Till I see (5) smiling face	To that mountain high above?
I will pray, pray, pray	Oh, I will pray, pray, pray
To the one I love	(8) I see your smiling face
Oh, the outcast dreams of acceptance	I will pray, pray, pray
Just to find pure love's embrace	To the one I love
Like an orphan longs for his mother	Oh, I will pray, pray, pray
May you hold me in your grace?	Till I see (9) smiling face
Oh, won't you take me from this valley	I (10) pray, pray, pray
To that mountain high above?	To the one I love
Oh I will pray, pray, pray	
Till I see your smiling face
