

## Fill in the gaps

Is (1) secret (2) tonight?	We can hide the truth inside
And are we out of sight?	(lt (14) be wrong, (15) be wrong)
Or will our world (3) tumbling down?	But it should've been right
Will (4) (5) our hiding place?	(It could be wrong, could be wrong)
Is this our last embrace?	Let our hearts ignite
Or will the walls start caving in?	(It could be wrong, could be wrong)
(It could be wrong, (6) be wrong)	Are we (16) a hole?
But it should've been right	(It could be wrong, (17) be wrong)
(It could be wrong, could be wrong)	This is outta control
Let our hearts ignite	(It could be wrong, could be wrong)
(It could be wrong, (7) be wrong)	It could (18) last
Are we digging a hole?	(It could be wrong, could be wrong)
(It could be wrong, could be wrong)	Must erase it fast
This is outta control	(It could be wrong, (19) be wrong)
(It could be wrong, could be wrong)	But it could've (20) right
It could never last	(It could be wrong, (21) be)
(It could be wrong, could be wrong)	Love is our resistance!
Must erase it fast	They keep us (22) and won't stop breaking us
(lt (8) be wrong, could be wrong)	down
But it could've been right	And (23) me, our lips must always be sealed
(It could be wrong, could be)	The night has (24) its end
Love is our resistance	We can't pretend
They keep us apart and they won't (9) breaking us	We must run
down	We must run
And hold me, our lips (10) (11) be	It's (25) to run
(12)	Take us away from here
If we live our life in fear	Protect us (26) further harm
I'll wait a thousand years	Resistance!
Just to see you smile again	
Quell your (13) for love and peace	
You'll wake the thought police	

## Fill in the gaps
