

Fill in the gaps

Here we are with our backs against the wall
We've got big city dreams
But we don't move from the asphalt
We run away from our own imagination
But at the same time we got this amazing fascination
We've got hopes on the horizon
We can't stop (1) the mountain
We're sick and (2) of (3)
silent
We are, we are,
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see (4) face
So let's run to the fire escape
Come together
We are gonna come together, now
Who are they?
With (5) so-called innovations
They hold on like they've found
Their own salvation
They shy away from the slightest alteration
But at the same time we got the same fascination
We've got hopes on the horizon
We can't (6) from climbing the mountain

We're sick and tired of keeping silent

We are, we are,
We are gonna come together
We are gonna come together, now
We are (7) run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see your face
So let's run to the fire escape
(8) together
We are (9) come together, now
Just let go, it's a free fall
We're almost home, it's a free fall
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see your face
So let's run to the (10) escape
Come together
We are gonna come together, now
