

Fill in the gaps

I wanna be drunk when I wake up
On the right side of the wrong bed
And every excuse I made up
Tell you the truth I hate
What didn't kill me
It never made me stronger at all
Love will scar your make-up lip sticks to me
So now I'll maybe leave back there
I'm sat here wishing I was sober
I know I'll never hold you like I used to
But our house gets cold when you cut the heating
Without you to hold I'll be freezing
Can't rely on my heart to beat it
Because you take part of it every evening
Take words out of my mouth just from breathing
Replace with phrases like when you're leaving me
Should I, should I?
Maybe I'll get drunk again
I'll be drunk again
I'll be drunk again
To feel a little love
I wanna hold your heart in both hands
I'll watch it fizzle at the bottom of a Coke can
And I've got no plans for the weekend
So shall we speak then
Keep it between friends
(1)_____ I know you'll never love me like you used
