

Fill in the gaps

You're just a small bump unborn	And I hold you tightly
In four months you're (1) to life	I'll (15) you nothing but truth
Might be left with my hair	If you're not inside me
But you'll (2) (3) mother's eyes	I'll put my (16) in you
I'll hold your body in my hands	You are my one, and only
I'll be as gentle as I can	And you can wrap (17) fingers around my thumb
But for now you scan on my unmade plans	And hold me tight
Small bump in four months you're brought to life	You'll be alright
And I whisper quietly	And you can lie with me
I'll give you nothing but truth	With your tiny feet when you're (18) asleep
If you're not inside me	But if you be right in front of me for a couple weeks
I'll put my (4) in you	So I can keep you safe
You are my one, and only	Because you are my one, and only
You can (5) (6) (7)	And you can wrap your fingers around my (19)
around my thumb	And hold me tight
And hold me tight	You are my one, and only
You are my one, and only	And you can wrap your fingers (20) my
You can wrap your (8) around my thumb	(21)
And hold me tight	And (22) me tight
You'll be alright	You'll be alright
You're just a small (9) unknown	Because you're just a small (23) unborn
You grow into your skin	But four months (24) (25)
With a (10) like hers	(26) life
And a dimple beneath your chin	Maybe you were needed up there
Finger (11) the size of a (12) grain of	But were still unaware as why
rice	
And eyelids closed to be (13) (14)	
wide	
Small bump in four months you'll open your eyes
