You're just a small bump u	ınborn
In four months you're brou	ight to life
Might be left with my hair	
But you'll have your mother	er's eyes
I'll hold your body in my ha	ands
I'll be as gentle as I can	
But for now you scan on m	ny unmade plans
Small bump in four months	s you're brought to life
And I (1)	_ quietly
I'll give you nothing but tru	th
If you're not inside me	
I'll put my future in you	
You are my one, and only	
You can wrap your fingers	around my thumb
And hold me tight	
You are my one, and only	
You can wrap (2)	_ fingers around my thumb
And hold me tight	
You'll be alright	
You're just a small bump u	nknown
You grow into your skin	
With a smile like hers	
And a dimple beneath your	r chin
Finger nails the size of a ha	alf grain of rice
And eyelids closed to be so	oon opened wide
Small bump in four months	s you'll open your eyes

And I (3) you tightly	
I'll (4) you nothing but truth	
If you're not inside me	
I'll put my future in you	
You are my one, and only	
And you can wrap your fingers around my (5)	
And hold me tight	
You'll be alright	
And you can lie with me	
With your tiny feet when you're half asleep	
But if you be right in front of me for a couple weeks	
So I can keep you safe	
Because you are my one, and only	
And you can wrap your fingers around my thumb	
And hold me tight	
You are my one, and only	
And you can wrap your fingers (6) my thumb	
And hold me tight	
You'll be alright	
Because you're just a (7) bump unborn	
But (8) (9) then torn from life	
Maybe you were needed up there	
But (10) still unaware as why
