

## Fill in the gaps

Sailing (1) behind the sun	That's when I (16) my father's eyes
Waiting for the prince to come	-Look into my father's eyes-
(2) for the healing rain	My father's eyes
To (3) my soul again	Then the jagged (17) appears
Just a toe rag on the run	(18) the distant (19) of
How did I get here?	tears
What (4) I done?	Now I'm like a bridge (20) was washed away
When will all my (5) arise?	My (21) made of
How (6) I know him	clay
(7) I look in my father's eyes?	As my soul slides down to die
-Look into my father's eyes-	How (23) I lose him?
My father's eyes	What did I try?
(8) I looked in my father's eyes	Bit by bit, I've realized
-Look into my father's eyes-	That he was here with me
My father's eyes	And I looked (24) my father's eyes
Then the light (9) to shine	-Look into my father's eyes-
And I (10) those ancient lullables	My father's eyes
And as I watch this seedling grow	I looked (25) my father's eyes
Feel my (11) start to overflow	-Look (26) my father's eyes-
(12) do I find the (13) to say?	My father's eyes
How do I (14) him?	My father's eyes
What do we play?	-Look (27) my father's eyes-
Bit by bit, I've realized	My father's eyes
That's when I need them	I looked into my father's eyes
That's when I (15) my father's eyes	-Look into my father's eyes-
-Look into my father's eyes-	My father's eyes
My father's eyes	-Look into my father's eyes-
