

## Fill in the gaps

Make me whole again	Counting the days
Open (1) eyes	To meet you on the other side
Taunted by the shadows of your light	I will always be waiting
Cold and far away	Until the day that I see you on the other side
Like you're not even mine	Come and take me home
Undo everything and take me higher	I am so lost without my (5) inside your heart
Never believing what (2) say	I won't survive, I (6) to know you hear me
Because I'm counting the days	(7) and release my love
To meet you on the other side	Counting the (8)
I will always be waiting	To meet you on the other side
Until the day that I see you on the (3) side	I will always be waiting
Come and take me home	Until the day that I see you on the other side
I'm not giving in	Come and take me
I want you back	Counting the days
Holding (4) by the shards of our past	To meet you on the other side
Stole my heart away	I (9) always be waiting
I can't let you go	Until the day (10) I see you on the other side
Break these chains and let me fly to you	Come and take me home
High above the world below	
Over and over in my mind
