Your face is all I ever see on this crowded street	If I die tonight at least I left a legacy
Like no one is watching	If I die tonight at least I left a legacy
You don't (1) to act a fool with me	If the lights go out I'm forever in you
You make me dance in public	If I die tonight at least I left a legacy
Tripping on my own two feet	Your face is all I ever see on (6)
Just like a drum	(7) no one's watching
My heart is jumping like a trampoline	You don't care to act a fool with me
Know how to (2) away my worries	You (8) me dance in pub
Like the angry sea	Tripping on my own two feet
Having a good time, living on the edge of my seat	Just like a drum
It's raining lava got me sweating	My heart is jumping like a trampoline
I can feel the heat	If I die tonight at least I left a legacy
The fire's ragging	If I die tonight at least I left a legacy
No telling what's (3) to come for me	If the lights go out I'm forever in you
If I die tonight at least I left a legacy	If I die tonight at least I left a legacy
If I die tonight at least I left a legacy	If I die (9) at leas
If the lights go out I'm forever in (4) memory	If I die tonight at least I left a legacy
If I die tonight at least I left a legacy	If the lights go out I'm forever in you
It's true the eyes are the windows of a person's soul	If I die tonight at (10) I
It's like I'm (5) in the mirror when I look at	If I die tonight at least I left a legacy
you	
I'll turn the heavens down, if the devil came for you	
I'd rather go through hell or high waters, yeah it's true
