

Fill in the gaps

Never let me go by Florence + The machine

Looking up from underneath	And the questions I haven't for a (15) like me
(1) moonlight on the sea	But the arms of the (16) (17)
Reflections still (2) the same to me	me
As before I went under	And it's over and I'm (18) under
And it's peaceful in the deep	But I'm not (19) up
Because (3) way you cannot breathe	I'm (20) giving in
No need to pray, no need to speak	Oh, slipping underneath
Now I am under	So (21) and so sweet
Oh, and it's (4) over me	In the arms of the ocean, so sweet and so cold
A thousand miles out to the sea bed	And all (22) devotion, I never knew at all
Found the (5) to rest my head	And the questions I haven't for a sinner released
-Never let me go, (6) let me go-	But the arms of the (23) deliver me
-Never let me go, never let me go-	-Never let me go, (24) let me go-
And the arms of the (7) are carrying me	-Never let me go, never let me go-
And all this devotion was rushing out of me	Deliver me
And the questions I haven't for a (8) like me	-Never let me go, (25) let me go-
But the arms of the ocean deliver me	-Never let me go, never let me go-
Although the pressure's (9) to take	-Never let me go, never let me go-
It's the (10) way I can escape	Deliver me
It seems a heavy choice to make	-Never let me go, never let me go-
But now I am under oh	-Never let me go, never let me go-
And it's breaking over me	Deliver me
A (11) miles down to the sea bed	-Never let me go, (26) let me go-
I found the place to rest my head	And it's over
-Never let me go, (12) let me go-	I'm going under
-Never let me go, never let me go-	But I'm not (27) up
And the (13) of the ocean are carrying me	I'm just giving in
-So cold and so sweet-	Slipping underneath
And all this (14) was rushing out of me	So cold and so sweet
-Rushing out of me-	

1. Fractured
