Fill in the gaps

Breath of life by Florence + The machine

I was looking for a breath of the life		I was looking for a breath of the life	
For a (1) touch of a heavenly light		A (7) touch of a heavenly light	
But all the choirs in my head sang: No		But all the choirs in my head sang: No	
To get a dream of the life again		It's a harder way and it's come to claim her	
A (2)(3)	of the sun at the	And I always say, we should be together	
end		I can see the look, because it's something en	nding
But all the choirs in my head sang: No		And if you are gone, I will not belong here	
But I needed a one more touch		Belong here, belong here	
Another taste of a heavenly rush And I believe, I believe it so		And I started to heart it again	
		But this time it wasn't the end	
Who's side am I on?		And the room is so quiet oh	
Who's (4) am I?		And my heart is a hollow plain	
Who's (5) am I on?		For the devil to dance again	
Who's side am I?		And the room is too quiet	
And the fever (6) to spread		I was looking for the (8) of the	ne life
From my heart down to my legs		A little touch of a heavenly ligth	
But the moon is so quiet oh		But all the choirs in my head (9)	_ No
And although I wasn't losing my mind			
It was a call was so sublime			
But the room is too quiet oh
