Spectrum by Florence + The machine

When we (1) came here	(bis x2)
We were cold and we (2) clear	And when we come back
With no colors on our skin	We'll be dressed in black
We were (3) and paper-thin	And you'll scream our names aloud
And when we first came here	And we won't eat and we won't sleep
We (4) cold and we were clear	We'll (18) bodies from (19) graves
With no (5) on our skin	So say my name
Till you let the (6) in	And every color illuminates
Say my name	And we are shining
And every color illuminates	And we'll (20) be afraid again
We are shining	Say my name
And we'll (7) be afraid again	As every (21) illuminates
(bis x2)	Say my name
And (8) we come for you	And every color illuminates
We dressed up all in blue	We are shining
With the ocean in our arms	And we'll (22) be afraid again
(9) (10) eyes and (11)	(bis x2)
(12) palms	Say my name
But (13) it's (14) to pray -better	We are shining
(15) you all-	Say my name
We dressed up all in gray	Say my name
With metal on our tongues	And we'll never be afraid again
And (16) in our lungs	
Say my name	
And every color illuminates	
We are shining	
And we'll (17) be afraid again
