

You've got the love

Fill in the gaps

You've got the love by Florence + The machine

Sometimes I feel I throw my hands up in the air	(bis)
I know I can count on you	Time after time I think "Oh (7) what's the use?"
Sometimes I feel like saying	Time after time I (8) it's just no good
"Lord I just don't care"	Because sooner or later in life
But you've got the love I need	The things you love you loose
To see me through	But you've got the love I need
(1) it seems the going is	To see me through
(2) too rough	You've got the love
And things go (3) no matter (4) I do	(bis)
Now and then it seems	Sometimes I feel I throw my hands up in the air
That the (5) is just too much	Because I know I can count on you
But you've got the love I (6)	Sometimes I feel like saying
To see me through	"Lord I just don't care"
When food is gone you are my daily meal	You've got the (9) I (10) to see me
When friends are gone	through
I know my savior's love is real	
You know is real
