

You said I only had to wait until I die

There is no such thing as time

-New horizons-

## Fill in the gaps

So you're tired but you're alive	Inside this moment, no sun rising
So open up your eyes	Wait until I fly
And you can get (1) (2)	-New horizons-
(3) you are dead	Wait until I fly
Kill the (4) inside your head	-New horizons-
(5) (6) normalcy	When the times keep going wrong
To the edge and watch it drown	And we go right
In new horizons, new horizons	When the times keep (7) wrong
You said I only had to wait until I die	And we go right
And that's no time -no time-	-Wait-
How did we come to thinking this was funny	You said I only had to wait until I die
Jeering and laughing at the dying	-New horizons-
While we're writing a line in you	There is no such thing as time
-Wait-	Inside this moment, no sun rising
You said I only had to wait until I die	Wait (8) I fly
-New horizons-	-New horizons-
There is no such thing as time	I need you, now
Inside this moment, no sun rising	-Wait until I fly-
Wait until I fly	-New horizons-
-New horizons-	-Wait until I fly-
Wait until I fly	-New horizons-
-New horizons-	There is no such thing as time
Sin with the conquest life	Inside this moment, no sun rising
Flies in with a new quest	Wait until I fly
Here's a voice for the voiceless	When the times (9) going wrong
And a song for the soulless	And we go right
Life flies in	We go right
-Wait-
