The way I tend to be by Frank Turner

Some mornings I pray for evening

For the day to be done

(1)_____ summer days I hide away

And wait for rain to come

Because it turns out hell will not be found

Within the fires below

But in making do and muddling through

When you've nowhere else to go

But then I remember you

And the way you shine like truth in all you do

And if you remembered me

You could save me from the way I tend to be

The way I tend to be

Some days I wake up dazed, my dear

And I don't know where I am

I've been running now so long I'm scared

I've forgotten how to stand

I stand alone in airport bars

And gather thoughts to think

(2)_____ if all I had was one long road

It could drive a man to drink

But then I remember you

And the way you shine like truth in all you do

And if you remembered me

You could save me from the way I tend to be

Because I've said I love you so many times

That the words (3)_____ of die in my mouth

And I (4)_____ it each time

With each beautiful woman

But somehow it never works out

But you stood apart in my calloused heart

And you taught me and here's (5)_____ I learned

That love is about of the changes you make

And not just three small words

And then I catch myself

Catching your (6)_____ on someone else

In a crowded space

And it takes me somewhere

I cannot quite place

And then I remember you

And the way you (7)_____ (8)_____ truth in all you do

And if you remembered me

You could save me from the way I tend to be

The way I tend to be

The way I tend to be
