

Fill in the gaps

The way I tend to be by Frank Turner

Some (1)	I pray for evening	You (14) save me from the way I tend to be	Į.
For the day to be done		Because I've (15) I love you so many times	
Some summer days I (2) away		That the words (16) of die in my mouth	
And wait for rain to come		And I meant it each time	
Because it turns out hell will not be found		With each (17) woman	
Within the fires below		But (18) it never works out	
But in making do and muddling through		But you stood apart in my (19) he	art
When you've (3)	else to go	And you (20) me and here's (21)	
But then I (4)	you	learned	
And the way you (5)	like truth in all you do	That love is (22) of the changes you make	
And if you (6)	me	And not just three small words	
You could save me from the way I tend to be		And then I catch myself	
The way I (7) to be		(23) your scent on someone else	
Some days I wake up dazed, my dear		In a crowded space	
And I don't know where I am		And it (24) me (25)	
I've been running now so long I'm scared		I cannot quite place	
I've forgotten how to stand		And then I (26) you	
I stand (8) in (9) bars		And the way you shine like truth in all you do	
And (10) thoughts to think		And if you remembered me	
(11) if all I had was one long road		You could save me (27) the way I tend to be	
It could drive a man to drink		The way I tend to be	
But then I (12) you		The way I tend to be	
And the way you shine like	(13) in all you do		
And if you remembered me			

- 1. mornings
- 2. hide
